Bit one of these Ballo either a body
or a edging. if you go on keeping
good & busy. Do you ever have a
Birthday if so please say when it
is. Not how old you know I might
remember it then.

Dear Ethel
Young I have not written before. I
received your pretty P.C. I should have
written before but my eyes have been so
bad I was off work last week with
them but they are better now. I have
got a bad cold in fact I can hardly
speak at all so you see I can hardly
even able to come after a situation yet
thou. are you going on, I wish I was
working with you, we are very busy
now but how long will it last I don't
know I shall not see you to night I
out for me next fall. In town if
I don't see you before. I hope you
will have a much better time this
than you had last. Hoping all are well
